

In an environment where cash flow is vital, **Hirebuy** enables our customers to confidently invest in new equipment. Either purchase the tool outright, or **Hirebuy** it. The choice is yours. Hire a brand new power tool for between 3 and 24 months and at the end of the period 'keep it'. **Hirebuy** is available for goods to the value of more than £300.00+VAT. The form below is an instruction to your Bank or Building Society to pay Direct Debits. Once it is set up and the initial payment received, monthly payments will be taken from your account for the remainder of the 'hire' period, afterwards the power tool is yours. The length of the period will depend on the value of the power tool.

Please ensure the form sent back to us has your original signature on it, not a photocopy. If you have any queries please contact us on 08452 60 30 50.
